

RETRO

FRONTE

The diagram shows a vertical rectangular layout. At the top, there is a dashed blue horizontal line. Below it is a solid purple rectangular box containing the text 'Retro Coperto'. A solid black horizontal line is positioned below the purple box. Below the black line is another solid purple rectangular box containing the text 'RETRO'. The entire layout is enclosed within a solid blue border.

Retro Coperto

RETRO

Step 1: Ensure the Layers palette is visible (Window - Layers).

Step 2: In the Layers Palette click on 'Artwork' layer.

Step 3: Place your artwork (File - Place).

Step 4: Make sure your artwork adheres to the bleed and margin guides (see below).

**PINE LINE = FINAL TRIMMED SIZE GUIDE**

**BLU LINE = BLEED GUIDE**

Bleed = When the artwork is meant to touch the edge of the trimmed final size bleed is required. Elements such as textures, photos, graphics are common items that use bleed.

Final trimmed size = This is the final size that the product will be.
